SUPERVISED RESEARCH PROJECT

(3 AU)

Course coordinator:	Assoc Prof Wang Xiao, Renshaw
Email add:	renshaw@ntu.edu.sg

The details in the slides, including the numbers and dates may be changed without prior communication.

AGENDA

- LEARNING OBJECTIVES
- DURATION & CONTACT HOURS
- ASSESSMENTS
- Q&A

LEARNING OBJECTIVES

- Training on necessary concepts and skills related to advanced scientific instrumentation
- Consultations with supervisors/team
 - Weekly
 - About 4 hrs/week
- Plan and execute a research project
- Carry out experiments and data analysis
- Write technical report
- Give technical presentation

DURATION & CONTACT HOURS

- 3 August 2026 – 30 October 2026 (including oral presentation)
- About 39 contact hours with supervisors in total
- You need to remain in SG during the duration of studies unless Leave of Absence is obtained.

ASSESSMENTS

Assessment	Length (excl cover page & bibliography)	Weightage	Submission Deadlines
Proposal	4 – 8 pages	10%	27 August 2026 (Week 4)
Progress Report	6 – 10 pages	20%	17 September 2026 (Week 7)
Final Report	10 – 15 pages	40%	15 October 2026 (Week 11)
PowerPoint slides (for Oral Presentation)	8 – 10 slides	-	15 October 2026 (Week 11)
Oral Presentation	15 mins + 5 mins Q & A	30%	19 – 23 October 2026 (Week 12)
Total		100%	

Word templates will be provided for the Proposal, Progress Report and Final Report

WRITTEN ASSESSMENTS

- Submit a copy of assignment & iThenticate report to MSPSI office
- Must include assessment cover page & iThenticate reports for written assessments
- The **accepted similarity & Artificial Intelligence indexes** are capped at 20% & 30% respectively,
 - If index is exceeded, justifications with endorsement from supervisors must be provided
 - Exceeded index is subject to penalty (e.g. zero marks, fail of the course) even with endorsement and justification
 - Misconduct using any Ai tool is subject to penalty (e.g. zero marks, fail of the course) even with endorsement and justification

WRITTEN ASSESSMENTS

- Late submission penalty
 - Marks will drop by 10% for each late day up to 10 consecutive days unless there is a valid reason
 - Includes weekends & public holidays

PROPOSAL (10%)

- 4 to 8 pages
 - Must include:
 1. A clear and appropriate title
 2. Brief introduction/background to proposed project
 3. Review of related literature with accurate citations
 4. Specific aim(s) of proposed project
 5. Significance of proposed project
 6. Intended approach of research project
 7. List of references
- 

PROGRESS REPORT (20%)

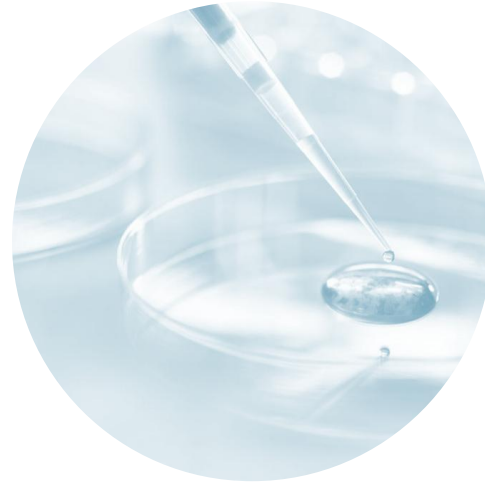

- 6 to 10 pages
 - Must include:
 1. A clear and appropriate title
 2. Specific aim(s) of research project
 3. Significance of research project
 4. Approach of research project
 5. Innovation of research project
 6. Description of research progress
 7. List of references
- 

FINAL REPORT (40%)

- 10 to 15 pages
- Must include:
 1. A clear and appropriate title
 2. Specific aim(s) of research project
 3. Significance of research project
 4. Approach of research project
 5. Outcome/results from research project
 6. List of references
- The Final Report will be assessed by two independent examiners

ORAL PRESENTATION (30%)

- Submit a copy of presentation slides to MSPSI office together with Final Report
- Finalised PPT slides to be submitted to MSPSI office at least 1 day before presentation
- To include:
 1. A clear and appropriate title
 2. Specific aim(s) of your research project
 3. Significance of your research project
 4. Approach of your research project
 5. Outcome/results from your research project
 6. List of references
- The Oral Presentation will be presented to two independent examiners, not the supervisor

Q&A

MSPSI

FAQ

- Can I use my Bachelor's degree to apply for PHD studies in NTU?
Yes, you can use your Bachelor's degree to apply for PHD studies.
- If I go back to my home country after my exams, do I need to come back to Singapore to get my degree in person?
No, you can choose to miss the convocation and degree conferment.
- Will graduation date be stated on the Master's certificate?
Yes, your Master's certificate will have graduation date stated.
Students who fulfil graduation requirements in:
 - T1 - Expected conferment around 31 Dec**
 - T2 - Expected conferment around 31 Mar**
 - T3 - Expected conferment around 30 Jun**
- When will you be receiving the graduation certificate?
If the conferment date is on 31 Dec or 31 Mar, issuance of digital graduation documents will be by 14th of the month after degree conferment. Issuance of hardcopy graduation documents will be by 14th of the month after degree conferment at One Stop @ SAC.

If the conferment date is 30 Jun, issuance of digital graduation documents will be by 14 July, hardcopy graduation documents will be issued at Convocation.
